# 10<sup>TH</sup> ANNUAL CIVIL AIRCRAFT INDUSTRY INTERNATIONAL FORUM

Held in Conjunction with

8<sup>TH</sup> ANNUAL CHINA AEROSPACE PROPULSION TECHNOLOGY FORUM

September 26<sup>th</sup>-27<sup>th</sup>, 2019 Xi'an City, Shaanxi Province

## OVERVIEW

**10<sup>th</sup> Civil Aircraft Industry International Forum and 8<sup>th</sup> China Aerospace Propulsion Technology Fourm 2019 attracted nearly 400 delegates from governments, organizations, institutes, universities, OEMs, Parts Suppliers, Aero Engine Manufacturers and media etc, and it hosted nearly 33 domestic and foreign speakers who delivered keynote speeches.**

10<sup>th</sup> Civil Aircraft Industry International Forum and 8<sup>th</sup> China Aerospace Propulsion Technology Fourm 2019 were successfully held in Xi'an, Shaanxi Province from 26th to 27th September, 2019. This forum was hosted by Chinese Society of Aeronautics & Astronautics, Organized by AVIC XAC Commercial Aircraft Co., Ltd., Shanghai Shangfei Aircraft Equipment Manufacturing Co., Ltd., Co-organzied by The Administrative Committee of Xi'an Yanliang National Aviation Hi-Tech Industrial Base, AECC Xi'an Aero-Engine Ltd., Northwestern Polytechnical University and Galleon (Shanghai) Consulting Co., Ltd.

The speakers delivered brilliant speeches on hot topics like Intelligent Production Line Application of Civil Aircraft , 5G Enabling Intelligent Manufacturing of Civil Aircraft, Enhance the Ability of Intelligent Innovation, Achieve Safe and Reliable Flight, Application of Digital Intelligence Technology In Aircraft Manufacturing etc.

The forum brought together nearly 101 well-known domestic and foreign Airlines, Associations, Universities, Embassy, Aircraft Manufacturers and Aero Engine manufacturers, a total of nearly 400 participants attended the event. Participants fully showed their brand, new technology and new products through keynote speeches, panel discussions, exhibitions, and one-on-one business meeting.

The attendees expressed their further understanding of Chinese new hot spots through this events, meeting new partners and discovering new business opportunities. We hope to build a technology exchange platform, create a good environment for cooperative innovation and development, and jointly explore the innovative development of the civil aircraft industry.

We are delighted to say that this forum has made a deep impression on delegates because it has not only gathered global leading enterprises, but also has involved many valuable topics. Great thanks for 2019 Civil Aircraft Industry International Forum and China Aerospace Propulsion Technology Fourm's hosts, sponsors, association and media partners. We hope that more experts and scholars will actively participate in the forum next year to promote the development of civil aviation industry.
